## **D) Science Communication Services**

I have helped numerous Polish science-related institutions with their translation / public communication needs:

### **long-term, extensive collaboration with the Copernicus Science Centre, Warsaw:**

- exhibit captions, website texts, exhibition announcements, commemorative catalogs, etc.

### **collaboration with the emerging EC1 Science Centre, Łódź:**

- exhibit captions for several new galleries

### **collaboration with the “Polin” Museum of the History of Polish Jews, Warsaw:**

- a smartphone app entitled “Śladami Janusza Korczaka / In the footsteps of Janusz Korczak” (available on [iTunes](#))

**collaboration with the Polish Academy of Sciences**, including quite a number of its various research institutes, committees, libraries, etc.

## **E) Business Communication Services**

For businesses, I don't just deliver texts, but instead work with clients to help create fully camera-ready materials – this often involves at least several rounds of interaction (from the drafting stage, through terminological consultations and ultimate release).

- marketing, sales, legal, technical documentation
- translation/transcreation of websites, product catalogs, user instructions

List of satisfied business clients and references available on request.

## **E) Multimedia projects**

- translation / subtitling of numerous audiovisual exhibition materials for Copernicus Science Museum in Warsaw
- translation of scripts for internationally award-winning Fulldome planetarium movies: “Hello Earth!” (Paulina Majda, 2013), “Dream to Fly” (Paulina Majda, 2017), Explore (Maciej Ligowski, 2017)
- translation of script for television screenplay “A Stranger Among His Own Kind” (A. Kędzierska, Paweł Zbierski, 2015)
- translation of script treatments, marketing materials, etc. for a crime-themed miniseries, TVN (2018)

## **F) Interpreting Services**

My career as a translator began with working as a Russian-English interpreter at Beth Israel Hospital in the United States in the mid-1990s.

I nowadays occasionally provide Polish-English interpreting services, for clients including:

- top telecoms executives (2014)
- the American rapper “50 Cent” / Curtis Jackson, 2015 (together with A. Szeliska)
- Nobel prize laureate Tim Hunt (2018) hosted by the Polish Academy of Sciences (together with A. Piskorska)

## **G) About me**

I hail from Johnstown, Pennsylvania (USA). I have near-native competence in Polish after nearly 25 years in Warsaw.

Education:

- Boston University (USA), BA in Linguistics and Computer Science, 1994
- Trinity College Dublin (Ireland), MPhil in Linguistics (Speech and Language Processing), 2005
- soon to finish long-awaited PhD in linguistics, as “external” student, University of Warsaw, Department of Polish Studies (“Polonistyka”)

I have spent a year in Moscow, Russia, a year in Dublin, Ireland, and several summer-long stays in Budapest, Hungary.
